Executive Director

June 3, 2024

Dear Ms. Moore,

Thank you for your May 30<sup>th</sup>, 2024 letter regarding damage to the Horsepark segment of Coast to Crest Trail. I appreciate the District's efforts to initiate repairs but would appreciate clarification regarding the scope of work being developed and the schedule.

Does the revised project description and accompanying scope of work that you mention include repairs and restoration of the existing Coast to Crest Trail bridge as well as repair of the 20-foot washout of the trail further east? In addition, we ask that you keep our Executive Director Shawna Anderson informed of the repair designs to ensure they will adequately meet our expectations for the repairs.

San Dieguito River Park users have increasingly expressed concern over the current state of this section of trail. As a joint powers authority entrusted with providing a connecting corridor of walking, equestrian, and bicycle trails encompassing the San Dieguito River Valley from the ocean to the river's source, the damaged trail segments compromise the integrity of the regional trail. We seek assurances that the District's plan to restore and re-open the Horsepark trail segment is underway and an estimated timeline for completion of the work.

I will make myself available for a joint meeting with the 22<sup>nd</sup> DAA, HITS, and the San Dieguito River Park JPA. Please do not hesitate to reach out in the meantime.

Thank you,

  
Joe LaCava, San Diego District 1  
JPA Board Chair
